MURPHY, the Jeweler.

BLUFF WOULDN'T WORK.

Two Kentuckians Who Thought They Wouldn't Move When Ordered.

Last evening's Times-Star contained the following in regard to a couple of Kentuckians:

"We are from Kentucky and you know what that means."

These were the words that were intended to strike terror to the hearts of Officers Harry Ryan and Miller at Sixth and Walnut streets Tuesday night.

The Kentuckians were John Hackett and Joe Coughlin, both of whom claim to live at Maysville.

They were not satisfied with something that had happened in a "mug" house on Walnut street and had struck terror to the saloonkeeper and he called the officers. When they arrived the two wild and woolly Kentuckians tried to work the same scare on the two Policemen, but there was nothing about them that would scare. They ordered the two men to move on, and they said they didn't know whether they would move or not, especially for two Policemen of Cincinnati.

This was enough, and in a few minutes from the time of the first bluff they found themselves behind the cell bars of a Police Station charged with disorderly conduct.

Ammon from Pittsburgh, whose funeral occurred yesterday afternoon at 2 o'clock from the residence of Mrs. Brenner with rites according to the Episcopal Church, with which denomination the deceased affiliated while a resident of our city. The Masons had charge of the burial, which was in the Maysville Cemetery. The relatives returned home immediately after the burial.

NOTABLE NUPTIALS.

Well-Known Couples Who Have Been Happily Mated For Life.

KENNER—POWER.
Yesterday afternoon at 2 o'clock, at the handsome suburban home of the bride's parents, Mr. and Mrs. John W. Power, occurred the marriage of Miss Mary Elizabeth Power to Mr. Edwin H. Kenner.

The home had been most tastefully arranged, and the wedding, witnessed only by the relatives and a few special friends, was an exceptionally beautiful one.

The Pastor of the M. E. Church, South, the Rev. J. O. A. Vaught, performed the ceremony.

The bride was prettily dressed in violet crepe de chine, and carried lilies of the valley and mignonette.

A member of one of our most respected families, of unusual personal beauty and charms, she is among Mason's most favored daughters, and Mr. Kenner is indeed to be congratulated.

The groom is one of Fleming's leading and most popular business men. He is a native of Mt. Carmel, and no man is held in higher esteem at his home than is Mr. Kenner.

How both bride and groom are regarded by a wide circle of friends was testified by the many elegant presents.

After the ceremony Mr. and Mrs. Kenner left on a short bridal trip, after which they will take up their residence at Flemingsburg at the home of Judge and Mrs. J. S. Power.

THE LEDGER joins in wishing them a very happy and prosperous journey through life.

Among those present from a distance were Mr. and Mrs. Henry A. Power, Miss Louie Bruer, Paris; Mrs. E. L. Fogg, Covington; Mrs. C. L. Dudley, Mrs. Dr. R. M. Skinner, Mrs. Joseph S. Power, Miss Lida Power, Mr. and Mrs. Charles Ross, Misses Daisy and Nannie Ross, Mrs. Ed. Andrews, Flemingsburg; Miss Lula Jones, Walton.

BROWN—MURPHY.
Mr. Joseph Thomas Brown and Miss Nora C. Murphy were married this morning at 7 o'clock at St. Patrick's Church, Rev. A. T. Ennis officiating.

Both are well-known young people and have the best wishes of many friends for a happy wedded life.

After the ceremony and a wedding breakfast at the groom's home Mr. and Mrs. Brown left on the 8:30 C. and O. train for a visit to his sister, Mrs. James Purdon, at Bethel, O.

STEGEMAN—PHISTER.
Mr. Frank Stegeman and Miss Mary R. Phister were married last evening at the home of the bride's parents, Mr. and Mrs. Chambers G. Phister, at 823 Washington avenue, Newport.

The bride has many relatives in this city, being a niece of Wharfmaster C. M. Phister.

The groom is the Secretary and Treasurer of the Wadsworth Watch Case Company of Newport.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents.

Hall's Family Pills are the best.

CONTRACTOR'S ESTIMATE.

Carefully Calculated For the Latitude of Mason County.

Chicago Post.

"What's that job worth?" they asked the contractor.

"Well," he said, slowly, "that depends a good deal upon circumstances. If it was ordered by an individual I should think \$100 would be about the limit, but if done for the city or county I shouldn't think of charging a bit less than \$850 with a clause in the contract permitting me to make an additional charge for extras."

Pains in the Back.

A. B. Farrington, Contanta, N. Y., says: "I was troubled several years with kidney disease and suffered severe pains in the back. I used Foley's Kidney Cure and one bottle cured me. I recommend it to my friends. It has given perfect satisfaction." J. Jas. Wood & Son and Armstrong & Co.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not, possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Roschke's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Draperies!

Maybe you're troubled with too many doors in the house. Perhaps one room has several and it's a nuisance to be forever closing them—when open they take up too much wall space. Why not do away with doors and substitute draperies? You can take the portieres with you when you move and thus avoid the door nuisance until you build a house to suit yourself. Maybe it's not a door which needs adornment but a screen that requires filling or a mantel demanding drapery. Let your eyes traverse this list and when they meet your need, stop. Then remember that in draperies, as in all else, you can absolutely rely on the quality at this store. We don't sell cheap stuff—it's not worth the investment of our money or yours. The best is none too good for the people who buy here. As for the prices, on the same class of goods you can't find them lower—anywhere.

BLACK PATTI'S TROUBADOURS.

The Constitution, Atlanta, Ga., of Saturday, April 21st, 1900, says: "A splendid audience witnessed the performance of Black Patti and her troubadours last night at the Columbia. The galleries were filled to suffocation, and the lower portion of the theater was packed. The excellent reputation the company made last season was more than lived up to this year, and the performance throughout was enjoyed quite as much by the occupants of the parquette as by the colored people, who were out in force."
